PET CAMP | MATCHBRIDGE EMPLOYER SPOTLIGHT

Working as a Junior Counselor for Pet Camp is a dream job for anyone who loves animals, especially dogs. During MatchBridge's Employer Spotlight event with Pet Camp, MatchBridge members got to learn more about this exciting opportunity and interview for a position.

Pet Camp is a unique pet lodging facility, where pets can have fun, while being well cared for. At the main campground, dogs can play outside and off-leash with other dogs and play equipment.

Junior Counselors help to supervise play groups, clean up after the pets, and make sure that all the campers get the love and attention they need. Being a Junior Counselor takes a lot of hard work and dedication, but it is also incredibly fun and rewarding.

Just ask Mauricio Rivera, a current employee of Pet Camp and a MatchBridge member. Mauricio has been working at Pet Camp since May of last year, and has been having a spectacular experience. He loves the team he works with, as well as the fact that he gets to
